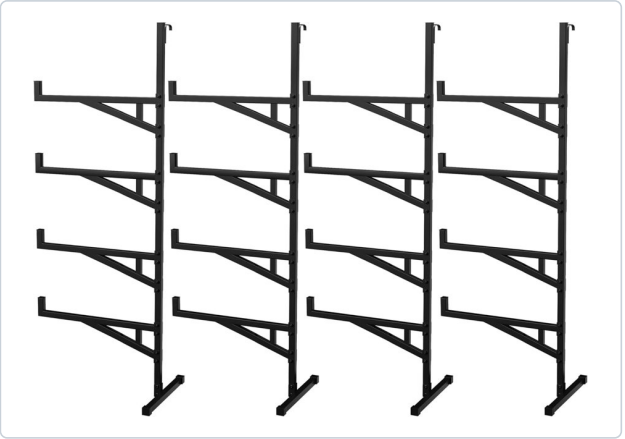
Shelves

TLA-ACC-SHLF-01 Section 9 — **Miscellaneous Accessories**

CATEGORY 9
Miscellaneous Accessories

1 PRODUCT OVERVIEW

Designed specifically for the corrugated steel wall profile of standard ISO shipping and storage containers. The bracket hooks engage the horizontal corrugation ribs, holding the bracket — and any shelf board loaded on it — in compression against the wall. Brackets are removed and repositioned without tools; no screws, anchors or adhesives required. KEY FEATURES: • Compatible with standard 20ft and 40ft ISO shipping containers • No drilling or welding — bracket hooks engage container wall corrugations directly • Accepts standard SA/ metric timber: 38×89mm (3"), 38×140mm (6") and 38×184mm (8") boards • Repositionable — shelves can be added, removed or re-levelled in minutes • Heavy-duty steel construction; rated for general storage loads • Supplied in sets of 4 brackets (2 bracket pairs = 1 shelf run) Timber boards not included. Available from any building supply outlet.



2 SPECIFICATIONS AT A GLANCE

SKU / Part No.	**TLA-ACC-SHLF-01**
Material	Heavy-duty mild steel (powder-coated)
Load Rating	*On application*
Finish	*On application*
Applicable Standard	*On application*
Unit Weight	*On application*

DRAFT

3 LOAD & PERFORMANCE DATA

Load Rating (SWL / MBL)	*On application*

4 DIMENSIONS & WEIGHT

Dimension	Value
Overall Dimensions (L × W × H)	*On application*
Unit Weight	*On application*

5 MATERIALS, FINISH & COMPLIANCE

Material / Construction	Heavy-duty mild steel (powder-coated)
Finish / Coating	*On application*
Applicable Standards	*On application*
Compatibility / Fitment	*On application*
Country of Origin	*On application*

6 APPLICATIONS

- Container workshops and storerooms
- on-site equipment and parts storage
- converted container offices and site facilities
- mining camp container fitouts
